## About Unicorn Films

Unicorn Films was formed in 1980 by Aidan Doyle.

Unicorn Films quickly established itself as a maker of quality award winning documentary films on towns, cities and areas of local interest.

Unicorn Films has expanded over time and offers a wide range of professional and affordable film based services both for industry and individuals.

Care and creativity are the hall marks at Unicorn Films and we hope you get the opportunity to experience this first hand for yourself by choosing us for your film needs.
